

20 June 2012

Dear Graduating Student,

You are invited to submit the finest work in your portfolio and have the chance to become the winner of the Global Architecture Graduate Award for 2012. In addition to winning a cash prize of £2500, you could have your work internationally recognized in the pages of Architectural Review's Education issue to be published in October 2012.

The Global Architecture Graduate Award has been established by Architectural Review to celebrate the world's best architecture students and to acknowledge their contribution to the contemporary discourse on architecture's role in an increasingly fractured yet globalized world.

The attached document will provide all the information you need in order to submit your project and become the world's best student of architecture. The deadline is midnight, 17 August, 2012 so don't delay!

Best regards,

Carol Raphael
